ation. Last year we raised in this Avenue: country 1,011,000,000 bushels of wheat This year the crop is 400,000,000 bushels less - a falling off of almost half. That is why flour is high. The poor bakers are simply driven to higher prices. There is no help for them.

The United Master Bakers began to-day a campaign for the building of co-operative baking plants in various neighborhoods. Thereby,

in the price of wheat.

Reports from the lower east side show many of the bakers have made

DRINK A GLASS OF REAL HOT WATER BEFORE BREAKFAST.

Says we will both look and feel clean, sweet and fresh and avoid iliness.

est application of its untiring research recommendation that it is as necessary to attend to internal sanitahe drainage system of the human body as it is to the drains of the

Those of us who are accustomed to feel dull and heavy when we arise, splitting headache, stuffy from a cold, foul tongue, nasty breath, acid stomach, can, instead, feel as fresh as a daisy opening the sluices of the system h morning and flushing out the nant matter.

Every one, whether ailing, sick or well, should, each morning before breakfast, drink a glass of real hot water with a teaspoonful of limestone water with a teaspoonful of limestone phosphate in it to wash from the stomach, liver and bowels the previous day's indigestible waste, sour bile and poisonous toxins; thus cleansing, sweetening and purifying the entire alimentary canal before putting more food into the stomach. The action of hot water and limestone phosphate on an empty stomach is wonderfully invigorating. It cleans out all the sour fermentations, gases, waste and acidity fermentations, gases, waste and acidity and gives one a splendid appetite for breakfast. While you are enjoying your breakfast the phosphated hot water is quietly extracting a large volume of water from the blood and getting ready for a thorough flushing of all the inside organs.

The millions of people who are bothered with constipation, bilious spells, stomach trouble, rheumatic stiffness; others who have sallow skins, blood disorders and sickly complexions are urged to get a quarter pound of limestone phosphate from the drug store. This will coat very little, but is sufficient to make any one a pronounced crank on the subject of internal sanitation.—Advt.

the Congress for the purpose of placing an cubarco on wheat export,
and to stop the violent fluctuations
in the congress for the purpose of placimprovised hospitals, women have both mothers and both families of for which they would have own considered incompetent two years ago."

"And Mine. Rosika Schwimme prophesies that at the end of the ws" s advanced to six cents.

MRS. SEELYE ASKS COURT there will be an even bitterer strugge between men and women, which dill end in dispossessing the women of their jobs," I told Mrs. Catt. FOR A SPECIAL GUARDIAN

Hut she takes a more hopeful/lew of the situation.

"Will the widows, left rith families to support, cheerully leave their well-paid post for those commanding lower w ges?" she demanded. "Not without protest. Will the wives who now must support crippled hisbands give up their skilled work and take up the occupations which were open to them lefore the war? Will they resignedly say: 'The woman who has a healthy husband who can ern for her

has a right to tea and raisin rke, but the woman who earn for herself and a husband, wh has given his all to his country must be content with butterless read? Not without protest!

Axiom, denied and evade for cenaxiom, denied and evades for centuries, will be bilizoned or every factory, counting house ind shap. Equal pay for equal sork. The woman doormat' in every land has unconsciously become / door-jamb! The men returning ma find the new order a bit queer, but verything else will be strangely unfailtiar, too, and they will soon grow accustomed to all the changes together. The Jamb will never descend ito a 'mat' again. "It has been a rightful price to pay but the fac remains that a womanhood well tarted on the way to final emancipalon is destined to step forth from ac war."

"And you belive that—
There is a tike in or alians of women. Which taken at if floot lesik on to fortuse; omitted, all the dars of their lives in stallow and in miseries."

I misquoted."

I misquoted. TALK, THNK AND ACT SUF-

FRAG IS HER ADVICE.

"Te reserves of unorganized, untrined soldiers—the men and tors, ticket, switch and signal men. wosen with a merely quiescent beef in Woman Suffrage—must b mobilized. The final struggle They are employed as police in Great b. mobilized. The final struggle peds their numbers and the somentum these numbers bring. Jrganize in every Assembly District and every voting precinct. It is the only way to make our appeal invincible. Swell the army, then set it upon the trail of every legislator and Congressman, for they alone hold the key to our political emancipation. Compel this army of lawmakers to see Woman Suffrage, to think Woman Suffrage, to talk Woman Suf-Woman Suffrage, to think Woman Suffrage, to talk Woman Suffrage every minute of every day until they heed our plea. In my judgment the women of this land not only have the right to sit on the steps of Congress till it acts, but it is their self-respecting duty to insist upon their enfranchisement by that route.
